Dear Doctor:

I am writing to thank you for your letter and the efforts you have made to get the 372nd Regiment to attend the Opening Ball game in Newark Sunday, May 11th.

I am enclosing you a copy of the letter I sent to Colonel Gilbert. Do you think it would help matters any, or be a good idea for me to make a trip to Camp and attempt to see the Colonel in person. I do not expect an answer from him for the next few days of course, but I was wondering if personal contact would help any.

Again please accept my sincere thanks for your co-operation.

Very truly yours,
